

Party Food

At Rainbow City, we specialise in party grazing experiences that can cater for both kids and their grown-ups.

Our party food is beautifully presented and customised to suit the size of your group.

Our party room and shared venue packages include a generous selection of food for the kids. You can also add extra platters for the adults (see the menu to the right).

Hired the whole venue? You are very welcome to BYO & DIY food, or you can let us take another thing off your plate and select one of our very popular 'feast' options. These are stunningly presented and ensure that nobody walks away hungry or disappointed!

Please let us know about any dietary or cultural requirements you may have so we can try to accommodate them accordingly.

Additional Catering Options

Optional adult platters

Each option serves 10-12 adults

- Hot finger food \$50 -Vegetarian hot finger food \$50
